This bill would allow limited liability companies organized and operated under tribal law to qualify to do intrastate business.

The May 28, 2009, amendments would make technical non-substantive changes to the Corporations Code. These changes would not impact the department's programs and operations or state income tax revenue. The department's analysis of the bill as amended April 21, 2009, and May 6, 2009, still applies.
